## Conference Venue

All conference sessions will take place on the Cornell University campus. The principal conference venue is Albert R. Mann Library, a state-of-the-art teaching and research facility serving Cornell's Colleges of Agriculture & Life Sciences and Human Ecology.

See more at: <http://mannlib.cornell.edu>

## Visitor Information and Services

### Transportation and Parking

Parking near the library is available along Tower Road and behind Rice Hall. When first arriving on campus, check with a Transportation Services information booth for parking locations and to purchase a four hour or full-day permit (\$6/\$10). Metered parking is also available in some locations.

Visitor parking information and location of parking lots: <http://transportation.cornell.edu>

Ithaca has excellent bus service provided by Tompkins Consolidated Area Transit (TCAT). Routes, maps, and service updates are on the TCAT site: <http://tcatbus.com>. Fare within the city limits is \$1.50 one-way, exact change required. A convenient way to get to and from the campus and downtown areas on weekdays is Route 10, which runs frequently and stops at Sage Hall (downtown direction) and the Statler Hotel (campus direction).

The distance between campus and the downtown is walkable. Keep in mind that it's a steep uphill climb on the way back to campus.

Taxis don't generally pick up passengers on the street; call to request that a cab pick you up: (607) 277-7777, (607) 272-3333, or (888) 321-1149. More information: <http://www.ithacataxi.biz/>.

There are two locations to obtain rental cars. The Tompkins County Regional Airport is served by AVIS and Hertz. See <http://flyithaca.com>. There is also an Enterprise rental car facility at 702 West Buffalo Street, (607) 275-9000, <http://enterprise.com>.

New York State law on cell phone use by drivers: No person shall operate a motor vehicle while using a mobile telephone to engage in a call while the vehicle is in motion, unless that person is using a hands-free device. Text messaging while driving is prohibited for all drivers.

## Emergency Medical Services

In an emergency: Call 911. If you call 911 on a cell phone anywhere in Tompkins County, the call is routed to an emergency response center.

Call (607) 255-1111 for the Cornell police. On campus, pick up a “blue light” phone, which is connected directly to Cornell police.

Cornell’s [Gannett Health Services](#) clinic (located on Ho Plaza) serves mostly students but will assist conference attendees who need access to pharmacy services or are unable to get to a medical facility from campus. Call (607) 255-5155.

A list of campus banking and ATM locations is available here:

<http://www.cornell.edu/search/index.cfm?id=871&q=&tab=facts>.

It is difficult to exchange foreign currency in Ithaca, even Canadian dollars. The main office location for Tompkins Trust Company (located on the Commons) does handle foreign currency. Your best approach is to simply use credit or ATM cards.

## Restaurants and Taverns

### Restaurants

There are two areas a high density of restaurants: Collegetown (just south and adjacent to the Cornell campus) and the downtown area, including the Commons pedestrian mall and the two streets on either end of the Commons (Aurora, Cayuga). Some recommendations follow.
